

The Edinburgh Community Climate Fund

(1a) Organisation/group name: Granton Project CIC

(1b) Project name: Community Kitchen @ the pitt

(2) Tell us about your organisation / group (what do you do?) (150 words maximum)

We are the CIC now responsible for running the pitt market and the adjoining spaces at our new home @ 20 West Shore Road. We provide an entrepreneurial hub through the market. We mentor some select start ups to help them through the process of starting a food business concept all the way through to launching their food brand at the market then on through to developing the idea into a business over 12-18 months. We also run a venue and are building an apprenticeship program.

Deadline for applications: 12th February 2023

The Edinburgh Community Climate Fund

(3a) Please select the fund criteria which your project relates to (Select all that apply)

Create opportunities for community leadership and learning on climate change

Reduce greenhouse gas emissions within communities and contribute to the net-zero target for Edinburgh

Generate sustainable projects for the benefit of local people to build resilience or adapt to climate change within communities

Build relationships between neighbourhoods of different socio-economic and ethnic backgrounds to work together on just, equitable and accessible climate and resilience activities contributing to the cities net zero agenda, also ensuring that activities work towards reducing or removing barriers for disabled people in the transition to net zero.

(3b) Tell us about the project you would use the money for. (500 words maximum)

The Granton Community Test Kitchen. We want to fit out a container for the purpose of having a community test kitchen. Having a community test kitchen would allow us to undertake a wide number of projects we passionately believe in. It will comprise of a 40ft container with a head cooking station then 5 other cooking areas. So 5 groups of 2 can be led on a cooking course.

Community cooking courses. These will be led by the community for the community. With a focus on sustainable cooking from around the globe.

The primary function will be to teach various local groups vital cooking skills. Such as young carers, single parents, people living alone unexpectedly.

Cooking program will focus on

- 1. Sustainability**

Deadline for applications: 12th February 2023

The Edinburgh Community Climate Fund

(4) Describe your project in no more than 30 words (this will be used for publicity)

Community Test Kitchen providing cooking courses and cook offs for community groups and fantastic people. Because life for us revolves around food and the dinner table.

(5a) Who do you hope will benefit from this project?

Anyone that is struggling to cook. But particularly people that have no other option and have to cook and care for others that aren't in the position to cook for themselves. Young Carers, Carers, Single Parents and those that have unexpectedly found themselves living alone through things like bereavement.

Deadline for applications: 12th February 2023
